## Profile

I am an innovative, energetic and hardworking individual with an outgoing friendly manner, Currently completing a BA in Creative Digital Media with particular interest in working in Web Development. An astute learner who adapts quickly to the relevant work environment with a reliable, trustworthy and communicative demeanour. I work diligently alone, and as part of a strong, dynamic team. I am Currently looking for Work Experience in early 2017

## Education

**Institute of  
Technology  
Blanchardstown**  
Creative Digital Media  
2014-2018

I am currently completing a Bachelor of Arts (Honours) degree in ITB. The course focuses on digital creativity and computer skills. One area i am excelling in is Web Development. The course introduces many different coding languages including HTML, CSS, Javascript and PHP. Recently worked as part of a team to build a website for a small vintage shop in Temple Bar. Some of the other modules in the course include *Brand Identity Design, Drama-Filmmaking, Sound Design, Multi-media Authoring* and many more.

**Ballyfermot  
College of  
Further Education**  
Digital Media  
Production  
2013-2014

In 2014 I graduated from BCFE The course is a one year full-time Fetac level 5 course. The course focuses on an introduction into the digital media industry. Some of the modules studied include *Web Authoring , 3 Dimensional Graphics, Communications and Design Skills* among other modules.
